Dear Everybody

How's the old home town? Well so far this camp is swell. They do not work us half as hard as they did at Wheeler. They get us up at 5:30. Fifteen minutes early than at Wheeler But our day does not start until 8 o'clock. We get through at 5:45. We are aloud to go into town Fri., Sat & Sunday nights. The nearest town is Baltimore which is about 20 miles. It sure is a swell city. Quite a different than Macon Ga. We are also

only 22 miles from Washington
& have not been there as yet
& received Sallo letter today.
Thanks a lot.

Well Marion, hope & can met
you in Washington, but there
is a chance that we will
be shifted to another Camp
within ten days. But if
& are still here will met
you when & when you say.

By the way how did Frank
Sunday, Eddie Daily & Bart &
the rest come out with the
payroll?

Well the meals down here are
much better & above all you get
all you can hold. The only
thing is that we get coffee
at every meal & you know I
don't go for coffee. over
